Dear pupil

The school prom is just around the corner and as you're aware this is a very special time for you, as it will mark the beginning of the end. The end of your time in Daniel James School but the beginning of your new adventure in the big wide world.

I hope you'll have a very special day on July 5th, the details for the Prom are as follows

5:45 -6:00 Arrive at the school hall (opportunity for you to meet you friends and take a few early photographs) you will need to organise yourself into your allocated limo groups.

6:20 Limos depart the school for a drive around Swansea. Pupils will walk out to the limos one group at a time for photos. (some pupils may have a short wait at school for the limos to return, this depends on numbers)

6:45 Arrive at Manor Park for more photographs the disco and buffet.

11:30-11:45 Depart Manor Park (again the limos will be doing two trips)

11:45-12:00 Arrive at school to be collected.

All the times are a guide for the day; if you are not here by 6:30 **we will not wait for you** as the limos are on a tight schedule.

Cameras- Remember to bring your camera to take some photos. If your using a disposable camera put your name on it so you don't loose it. When you get your photos developed or have a digital camera, bring copies (on disk) into me at school (deadline for this 8th July). All the photos will be available to all of you (this includes Mr Oatways photos) The discs will be ready for collection when you collect your results. I will also be collecting photos on the night. **If your using a digital camera make sure the date and time is correct, it makes the process of collecting the photos much easier.**

Conduct - You are still representing the school at this event so behaviour is very important. Any improper behaviour (alcohol, fighting etc.) before or during the event and will result in your parents/guardians being contacted and you will be asked to leave the event. At this late stage no refunds can be offered. Don't spoil this event it will be something you'll remember for the rest of your life.

Parking - If you're coming to the school by car please could you park the car in the car park (front and back of school) and on the top yard. last year we had problems with parking on the main road. The limos found it very difficult to park and collect pupils. Please wait until all the pupils have left before leaving the carpark in you cars.

Damage- Any damaged caused to the limousines or to the venue will be paid for by the individuals involved and not by the school. For the past two years the limousine company and manor park said we were the best school they have ever had, let's keep that up this year.

See you soon
Mr G Morgan

Photos and info will be available on the school web site.
